

## Online Form Future Lab

You have an idea for a German-Israeli cooperation project, but you don't yet know how to implement it? We support project development meetings up to a maximum of 2,000 euros. We want to give you and potential project partners from the other country the opportunity to work out a project idea together. You can apply for financial support for travel costs and accommodation, for a short stay, and for material costs that arise as part of the meeting.

### Requirements for applying for Future Lab funding

- a concept for the project development meeting
- support from at least one German and/or Israeli organization or institution
- 4-6 participants aged 18-45
- participants from Germany and Israel

### How to apply for Future Lab funding

To apply for project development support as part of our Future Lab program, please fill in the Future Lab proposal form.

The form can only be submitted online and is available for submissions three times every year for a period of two months each: January/February, April/May and October/November. We will inform you by the end of the following month whether we are able to support your project development meeting.

### Notes on filling out the form

Please follow the questions and make sure to fill out the obligatory fields marked with an \*, otherwise the form cannot be submitted. Please note that you cannot save what you've entered into the form before submitting it.

By clicking on the "Submit Funding Proposal Form" button you are sending us your online proposal. You will receive a confirmation email at the email address you submitted in the form.
