

## **Online Form Future Lab**

You can only apply for funding for a project development meeting (Future Lab) online.

We provide support to project development meetings up to a maximum of 2000 Euro. It is possible to apply for financial support for travel costs and accommodation as well as for material costs that arise as part of the meeting.

## **Information on Submitting a Proposal**

The following criteria must be fulfilled for a successful application:

- You have an idea for a project that fits to our areas of activity. Under the “Areas of Activity” menu, you will find a short description of each area of activity together with thematic suggestions and information about the projects currently receiving funding in each of the three categories
- There is a program for the project development meeting
- Support from a German and/or Israeli organization
- 4-6 participants
- the participants are from Germany and Israel

## **Information on Filling out the Form**
